## A BILL

To amend the Internal Revenue Code of 1986 to regulate certain 50 caliber sniper weapons in the same manner as machine guns and other firearms, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

### 3   **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Anti-Terrorism Mili-  
5       tary Sniper Weapon Reclassification Act of 2003”.

### 6   **SEC. 2. FINDINGS.**

7       The Congress finds that—

1           (1) certain firearms originally designed and  
2           built for use as long-range 50 caliber military sniper  
3           weapons are increasingly sold in the domestic civil-  
4           ian market;

5           (2) the intended use of these long-range fire-  
6           arms, and an increasing number of models derived  
7           directly from them, is the taking of human life and  
8           the destruction of materiel, including armored vehi-  
9           cles and such components of the national critical in-  
10          frastructure as radars and microwave transmission  
11          devices;

12          (3) these firearms are neither designed nor used  
13          in any significant number for legitimate sporting or  
14          hunting purposes and are clearly distinguishable  
15          from rifles intended for sporting and hunting use;

16          (4) extraordinarily destructive ammunition for  
17          these weapons, including armor-piercing and armor-  
18          piercing incendiary ammunition, is freely sold in  
19          interstate commerce; and

20          (5) the virtually unrestricted availability of  
21          these firearms and ammunition, given the uses in-  
22          tended in their design and manufacture, present a  
23          serious and substantial threat to the national secu-  
24          rity.

1 **SEC. 3. COVERAGE OF 50 CALIBER SNIPER WEAPONS**  
 2 **UNDER NATIONAL FIREARMS ACT.**

3 (a) IN GENERAL.—Section 5845(a) of the Internal  
 4 Revenue Code of 1986 (defining firearm) is amended by  
 5 striking “(6) a machine gun; (7) any silencer (as defined

 7 a destructive device.” and inserting “(6) a 50 caliber snip-  
 8 er weapon; (7) a machine gun; (8) any silencer (as defined  
 9 in section 921 of title 18, United States Code); and (9)  
 10 a destructive device.”.

11 (b) 50 CALIBER SNIPER WEAPON.—

12 (1) IN GENERAL.—Section 5845 of the Internal  
 13 Revenue Code of 1986 is amended by redesignating  
 14 subsections (d) through (m) as subsections (e)  
 15 through (n), respectively, and by inserting after sub-  
 16 section (c) the following:

17 “(d) 50 CALIBER SNIPER WEAPON.—The term ‘50  
 18 caliber sniper weapon’ means a rifle capable of firing a  
 19 center-fire cartridge in 50 caliber, .50 BMG caliber, any  
 20 other variant of 50 caliber, or any metric equivalent of  
 21 such calibers.”.

22 (2) MODIFICATION TO DEFINITION OF RIFLE.—

23 Section 5845(c) of the Internal Revenue Code of  
 24 1986 is amended by inserting “or from a bipod or  
 25 other support” after “shoulder”.

1           (3)     CONFORMING     AMENDMENT.—Section  
2     5811(a) of the Internal Revenue Code of 1986 is
